Decorating Your Room:

We want you to make your room your own. We encourage you to read the “Community Standards” (e.g. Electrical Appliances, Fire Safety, Alcohol, Paraphernalia) as they contain specific expectations regarding your space.

Exploring the Community:

Each community’s layout is unique so it is important to locate your mailbox, laundry room, vending machines, common areas, community office and study space. Trash/recycling areas will be designated in each community.

Community Meeting(s):

The opening floor meeting is where you will get to know your resident assistant (RA) and the other students living on your floor or in your building. In these meetings, students will be invited to participate in community development decisions and review important information essential for student success. At a closing meeting, you will learn more about the proper move-out procedures.

Parking:

All motorized vehicles must be registered online at parking.ucf.edu prior to picking up your decal at UCF Parking Services which is located in Garage B.

Policies and Procedures:

Once you arrive, you are expected to read all residence hall policies and regulations, learn what services are offered in the offices, as well as how to contact the community office staff.

Responsibility for Reporting:

As an active community member, you are expected to report unacceptable behavior to the Housing & Residence Life staff and/or the UCF Police Department. In instances where you feel comfortable addressing your peers (e.g. noise, roommate conflict), we encourage you to have the conversation on your own first before involving staff as it can empower you and in many cases alleviate the issue. Once you report another person for an alleged crime or policy violation, Housing and Residence Life cannot guarantee your anonymity as all reported allegations will be confronted and the resident has the right to be presented with the full disclosure of information held against them.

Inventory:

Prior to move-in, the staff will complete an inventory on your room/suite/apartment. Read this document carefully and consult with staff if you have any inquiries or concerns. You are responsible for immediately reporting any damages in your room, apartment or common area. Any discrepancies in your inventory at move-out will be reviewed by the staff to assess charges accordingly.

Roommate(s):

We encourage you to reach out to your roommate(s) prior to your arrival. This can be helpful in coordinating items to bring, in addition to setting the foundation for the relationship that will be formed over the coming year. Building this relationship is important and takes commitment as well as compromise. Once in your space, contact your RA if you have any concerns.

HOUSING AND RESIDENCE LIFE STAFF

Our Housing and Residence Life staff has been carefully selected and trained to help you transition to living on campus. Please do not hesitate to contact your community office for assistance.

Coordinators

Coordinators are live-in professionals responsible for the supervision of staff and work to create a strong residential community.

Graduate Assistants (GA)

GAs are live-in UCF graduate students that directly support the Coordinators with community development and supervision of the student staff.

Resident Assistants (RA)

RAs are live-in student staff members who are here to answer your questions, help you with day-to-day life, enforce policies and university regulations, and implement the residential curriculum.

Office Assistants (OA)

OAs work from 8:00am to 5:00pm, Monday through Friday, to assist with the day-to-day operations of the community office.

Residence Hall and Apartment Patrol Staff (RHAPs)

RHAP staff work from 12:00am to 8:00am. They are responsible for monitoring community safety, responding to any residential concerns, and assisting RAs in enforcing all housing and university policies.

Residence Hall Association (RHA)

RHA is a student organization made up of community area councils. RHA is charged with promoting unity across the residence halls, improving your living experiences at UCF, and providing educational and social events. Joining this organization is a great way to get involved, gain leadership experience, develop organizational skills, and make lifelong friends. Learn more about RHA at www.facebook.com/RHAUCF.

Additionally, any possession and/or display of stolen property such as construction materials (cones, signs, etc.), street signs and shopping carts are violations of the Community Living Guide.
- **Ceilings:** You are not permitted to affix decorations or any other item to the ceiling.

Authorized Search: Your property is not subject to search without your consent, unless a search is conducted by appropriate law enforcement officers with a legal search warrant or in accordance with existing Florida law. Housing and Residence Life staff will never conduct these searches.

Cleanliness: Housekeeping will augment your daily cleaning practices, but you are responsible for promoting a clean and well maintained living environment. Residents should regularly vacuum, dust, wash clothing, clean dishes, remove garbage/recycling, and discarding old food items from residential spaces.

Liability: You are responsible for your property, as the University is not liable for damage to or loss of personal property, failure or interruption of utilities, or for injury or inconvenience to persons (except to the extent set forth in Florida Statutes, section 768.28.1979). Consider getting personal (renters) insurance coverage if you are covered under a preexisting policy (homeowners’ policy). Any instance of lost, missing, or stolen property should be reported to UCF Police and the community office.

Personal Property: In an emergency situation, university officials may move your belongings to protect life and property of all residents. The UCF Housing and UCF Facilities staffs reserve the right to define an emergency situation. You are encouraged to maintain personal renter's insurance for the replacement of personal property.

Room Entry: Authorized University of Central Florida representatives may enter your room for a variety of purposes, including: posted "plain view" room inspections, fire code enforcement, maintenance purposes, occupancy verification, lockouts, and in emergency situations.

Roommate Agreement: All students must complete a roommate agreement each time a new roommate is assigned to the space. Roommate agreements will be completed with your RA and will be reviewed at the beginning of each semester or as necessary.

Storage: Storage is not provided by UCF Housing.

Weather: In a weather emergency, you are responsible for your own safety. Signing up for UCF Alert will assist in notification and preparation. Prior to a hurricane's arrival, students who are able to safely travel home must do so. Ride Out Locations will be provided for students who are unable to get to another safe location. You must comply with staff instructions and requests during a weather emergency.

Your Rights

Accommodations: If you feel you need an accommodation, please contact your Area Coordinator to help you navigate the process.

Communicable or Contagious Illness: Students diagnosed with a communicable illness proving to be a health threat to other residents may be relocated to an alternate room on campus until determined to no longer be contagious. Staff will make every effort to maintain privacy of a student who has knowledge of testing positive for any communicable illness. Residents are responsible for damage to the residential space and their personal property resulting from the failure to comply with the terms of this paragraph.

Personal Property: Remove all personal belongings upon move out. Items left in residential facilities after closing will be subject to disposal/donation and additional move-out charges.

Recycling: Students are encouraged to separate recycling and place it in an appropriate recycling bin. See your RA or community office for further information on recycling.

Trash Removal: Students must remove all personal trash from their assigned unit and common areas. All trash must be placed inside a designated dumpster.

Video Surveillance: Your community may be equipped with a number of closed-circuit TV cameras. These cameras have been installed for the purpose of recording events for later viewing. Do not rely upon these cameras for the safety of your person or property.

SERVICES

Building Services: Maintenance and custodial services are responsible for cleaning and maintaining the residential spaces. Note: Residents cannot refuse housekeeping services. A cleaning schedule will be posted for your information, but can be subject to change. You are expected to keep clothing off the floor and remove all of your belongings from the sink, counter and shower stall prior to the arrival of staff. Apartment residents are responsible for cleaning the oven/stove. If your room is left in a condition where it cannot be cleaned, your AC will be notified and you may be held in violation of your housing agreement.

Academic-Year Apartments: Bathrooms and kitchen floors are cleaned weekly.

Residence Hall Suites: Bathrooms and common area floors are cleaned weekly.

Rosen: Bathrooms will be cleaned on a weekly basis.

Towers: Units in the Towers receive cleaning services approximately five times per year, including summer.

Additionally, the maintenance and/or housekeeping staff will routinely inspect units and repair any damage found.

Cable TV: All university residential facilities are wired for digital TV. However, residents must supply their own television and cable wires (coaxial or HDMI) to connect their televisions to the digital adaptor. Your room is provided with a single residential digital adaptor box and remote.

Internet: To connect to the internet, residents will need to know their NID and NID password. Rooms are equipped with Wi-Fi and/or Ethernet ports. UCF does not provide Ethernet cords. For information

about connecting to the internet, please contact the Computer Help Desk at 407-823-5117, or visit resnet.ucf.edu.

Community Spaces: Some common spaces are equipped with digital TV and may be available for residents to use. UCF Housing staff will post signage on doors if the space is unavailable for student use. Community spaces may not be used for outside meetings (including student organizations) or personal functions unless approved by the Area Coordinator or their designee.

Bulletin Boards: UCF Housing and Residence Life utilizes bulletin boards as a method of communication. Only staff may add or remove posted items on boards.

Exterminator Services: Residential facilities are serviced for pests on a regular basis. For pest concerns between treatments, contact the community office and do not attempt to exterminate the pests. To minimize pests, residents must maintain a clean living space.

Game Day: UCF Housing staff reserve the right to enforce all Community Living Guide and UCF Tailgating policies on UCF Football Game Days. For more information, visit the Game Day website at www.ucfgameday.com.

Grills: Some UCF communities provide stationary grills for resident use. Students wishing to use a grill must first speak with a staff member in the community office. Residents must supply all grilling materials. Grills, propane, and lighter fluid cannot be stored in residential facilities. After you are finished using the grill, it must be cleaned thoroughly.

Kitchens: Community kitchens are available in select areas for use by current residents. Community kitchens are to

be used for the preparation of food only. Additionally, residents who use community kitchens are required to clean up after themselves before leaving. To avoid any pest issues, please remove trash/recycling on a frequent basis and clean hard surfaces to remove any food debris.

Cooking and Safety: Tips to Avoid Smoke Alarms

1. Always turn on the vent above your oven/stove.
2. Never leave cooking food unattended.
3. Check the oven/stove prior to use to ensure it is empty and clean.
4. Turned off all kitchen appliances when finished cooking.
5. Follow all microwave and food preparation instructions.

If the smoke detector is accidentally triggered and there is no fire:

1. Call the community office immediately.
2. Identify yourself, your location and that a smoke detector is sounding.
3. Turn on vent/fan and open windows, as able, to clear any smoke.
4. Do not prop the apartment door open as smoke may set off the full building alarm, which may result in a charge.

Laundry Facilities: Each community is equipped with coin or KnightCash operated laundry facilities. For KnightCash information and refunds, visit the UCF card services at ucfcard.ucf.edu. For coin refunds or to report a problem with laundry services, visit your community office.

Lock Outs: If you are locked out of your room, go to your community office for assistance. Residents will need to present a

photo ID to get into your room. After three lockouts in one semester, students will be charged \$10 for every subsequent lock out.

Mail: Mailboxes are located near each community. Mail is delivered Monday through Friday. Residents will be issued a P.O. box where mail and packages can be received. Residents who receive a package, will receive an email to their university email account. You must present a photo ID when picking up packages. Stamps may be available for purchase in community mail centers.

Maintenance Requests: To report any maintenance concerns, contact Facilities Operations at www.fo.ucf.edu or visit your community office.

MOVE-IN & MOVE-OUT:

You are responsible for following all move-in and move-out procedures. All move-out materials will be provided to you prior to closing. Be aware of appropriate dates and times. Please consult your community office if you have any questions or concerns.
