RESOURCES

UCF offers many resources to support students and keep them safe, including **24/7 UCFPD patrols, Knight Ride, Blue Light Emergency Phones, Self-Defense Classes, UCF Alert, and Victim Advocates.**

STAY VIGILANT

Remember that criminals look for opportunity, so remaining aware of your surroundings is key. Safety is a team effort, so if you see activity that seems suspicious, call 911 so that police can follow up.

KNIGHT RIDE

If you need a safe nighttime transportation option, head to a designated Knight Ride location and wait for the marked van to arrive. The van will make a full loop around campus every 30 to 45 minutes, allowing riders to hop on or off along the way. Click here to view a map of the [Knight Ride loop](#).

Knight Ride runs every day from 7 p.m. until 1 a.m. when classes are in session, with extended hours during exam periods. Those who need special accommodations or who would like a walking escort can call (407) 823-2424 to reach a Knight Ride dispatcher during those hours.

BLUE LIGHT EMERGENCY PHONES

Phones with a blue light on top are located throughout campus and inside garages and provide direct contact to a police dispatcher. They're in every level of every campus parking garage and on poles around the campus. When you activate the red button on these phones, you'll be connected with a UCF Police Department dispatcher and a police officer will respond as needed.

Please visit our campus websites for more information.
