

Valencia College Student ID

Complete the steps below before picking up your ID:

- ▶ Register for the upcoming semester
- ▶ Pay for your classes in full—please allow 48 hours after submitting your full payment before picking up your ID
 - Make sure any financial aid has been processed
(Please note: If your pending financial aid amount is greater than or equal to the cost of tuition, you'll be able to receive your ID card)
 - If you've been protected from drop—including VA certified students, students with first-time pending SAP appeals completed by the deadline or other personal circumstances—you'll be able to receive your ID card
 - Confirm you don't have an account balance if you're paying out of pocket (credit card or check)
 - Provide the deferment paper if you're using the VA Deferment (GI Bill)
 - Check to see if you have a balance left after using Florida Prepaid (if you owe anything, you'll need to pay the difference)

**Questions about a hold on your account?
We're here to help.**
