WELCOME HOME, UCF KNIGHTS!

Living in a UCF residence hall or apartment gives you the opportunity to get involved in a community and enjoy many exciting experiences. The Housing and Residence Life staff is here to assist you, but we recommend that you take the lead by participating, listening to others, sharing your experiences and knowledge, adhering to the community's expectations, and being a role model for others.

At the core of our identity, the Department of Housing & Residence Life believes residents must become active, engaged, and productive global citizens. This priority drives our programmatic, administrative, and student learning framework. By becoming active, engaged, and productive global citizens, UCF housing residents can go on to be an asset to themselves, their families, their community, and their world.

Mission

The mission of the Department of Housing and Residence Life is to provide residents with safe, inclusive housing communities that foster student success through innovative living and learning opportunities

Vision

The Department of Housing and Residence Life will be the premier experience for residents to live, learn, and become tomorrow's global citizens.

We believe our residence life program is a fundamental component of the UCF experience and we are committed to:

1. Providing a qualified and diverse staff dedicated to the mission and vision of the department.
2. Fostering a welcoming environment where individual differences are shared and explored.
3. Providing opportunities for holistic education through individual and community development.
4. Establishing intentional and purposeful relationships among students and staff.
5. Advocating for personal responsibility, accountability, and sound, ethical decision-making.

Statement on Diversity and Inclusiveness

The Department of Housing and Residence Life values the diverse community of the University of Central Florida. We strive to engage students, staff, and campus partners in fostering an experiential learning community that is focused on diversity, inclusion, and social justice education. DHRL will achieve this through supporting a culture that encourages the exploration of social identities, articulates the value of inclusive communities, and practices effective cross-cultural engagement. The Department of Housing and Residence Life will continue to uphold our commitment to cultural competence through our residential priority of global citizenship.

Live the Creed

Integrity: I will practice and defend academic and personal honesty.

Scholarship: I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.

Community: I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.

Creativity: I will use my talents to enrich the human experience.

Excellence: I will strive toward the highest standards of performance in any endeavor I undertake.

GETTING STARTED

Certain responsibilities are assumed when moving into residential communities. Many of these principles and responsibilities are highlighted in this guide.

Decorating Your Room:

We want you to make your room your own. We encourage you to read the "Community Standards" (e.g. Electrical Appliances, Fire Safety, Alcohol, Paraphernalia) as they contain specific expectations regarding your space.

Exploring the Community:

Each community's layout is unique. It is important to locate your mailbox, laundry room, vending machines, common areas, community office, and study space. Trash/recycling areas will be designated in each community.

[Return to Table of Contents](#)

Community Meeting(s):

Community meetings serve the purpose of disseminating important information to residents regarding safety, security, and community living standards/processes. Attendance is strongly encouraged to ensure that all residents are equipped with the necessary knowledge to be successful. The opening floor meeting is where you will get to know your resident assistant (RA) and the other students living on your floor or in your building. In these meetings, students will be invited to participate in community development decisions and review important information essential for student success. At a closing meeting, you will learn more about the proper move-out procedures.

Parking:

Main campus parking for residential students is managed by UCF Parking Services. Please visit UCF Parking Services website at <https://parking.ucf.edu/> to review all rules and regulations.

All motorized vehicles must be registered online at parking.ucf.edu prior to picking up your decal at UCF Parking Services, which is located in Garage B. Please note that parking differs in each community. For more information, please refer to parking.ucf.edu.

Policies and Procedures:

Once you arrive, you are expected to read all residence hall policies and regulations, learn what services are offered in the offices, and understand how to contact the community office staff." We recommend you familiarize yourself with the office location and its processes.

Download the pdf of The Golden Rule Student Handbook at <https://sdescms.smca.ucf.edu/goldenrule/wp-content/uploads/sites/64/2019/06/goldenrule1.pdf>

Responsibility for Reporting:

As an active community member, you are expected to report unacceptable behavior to the Housing & Residence Life staff and/or the UCF Police Department. In instances where you feel comfortable addressing your peers (e.g. noise, roommate conflict), we encourage you to have the conversation on your own first before involving staff as it can empower you and, in many cases, alleviate the issue. Once you report another person for an alleged crime or policy violation, Housing and Residence Life cannot guarantee your anonymity as all reported allegations will be confronted, and the resident has the right to be presented with the full disclosure of information held against them.

Inventory:

Prior to move-in, the staff will complete an inventory on your room/suite/ apartment. Read this document carefully and consult with staff if you have any inquiries or concerns. You are responsible for immediately reporting any damages in your room, apartment, or common area. Any discrepancies in your inventory at move-out will be reviewed by the staff to assess charges accordingly.

Roommate(s):

We encourage you to reach out to your roommate(s) prior to your arrival. This can be helpful in coordinating items to bring, in addition to setting the foundation for the relationship that will be formed over the coming year. Building this relationship is important and takes commitment as well as compromise. Once in your space, contact your RA if you have any concerns

DEPARTMENT OF HOUSING AND RESIDENCE LIFE ORGANIZATION

The Department of Housing and Residence Life is comprised of 450+ student staff and full-time employees serving a residential population of approximately 12,400 students across 12 vibrant communities. DHRL has nine distinct units that work collaboratively to ensure that our residential students are receiving the best customer service while living in a safe and academically supportive environment.

The Assignments Team coordinates, manages, and updates all processes involved in assigning rooms.

It is our mission to tell the UCF story locally, statewide, nationally, and internationally across multiple media and through a variety of channels.

The Conference Services Program partners with the Central Florida community over the summer to provide educational 'live-in' opportunities for various camps, conferences, and non-UCF scholars. Student athletic camps make up most of the groups. Some of the community partners include UCF Athletics, Accounting Careers Awareness Program (ACAP), The Orlando Ballet intensive study camp, and The College Reach Out program, which prepares underrepresented middle and high school students to pursue and complete a college education. Also, when students from other universities intern in Orlando, they can apply for UCF summer intern housing on the Rosen or Main Campus.

The Mail team provides mail and package services to the students in all staffed mail centers on-campus (Apollo /Libra, Academic Village, Lake Claire, and West Plaza) and the off-campus locations (Rosen, Northview, and UnionWest). The mail center is where students will go to sign for and pick up packages. All on-campus mail centers have priority mail/flat rate envelopes and boxes available for students. Shipping labels for these items can be purchased via the USPS website.

Residence Hall Association and Area Council

RHA is a student organization made up of community area councils. RHA is charged with promoting unity across the residence halls, improving your living experiences at the UCF Downtown Campus, and providing educational and social events. Joining this organization is a great way to get involved, gain leadership experience, develop organizational skills, and make lifelong friends. Learn more about RHA at www.facebook.com/RHAUCF.

Area Council is intended to be the representative voice of the students living in an assigned housing area. Area Council is a subset of the Residence Hall Association (RHA) and will follow all guidelines as outlined in the RHA Constitution and RHA Policy Book. RHA strives to provide residents with a living experience that complements their academic experiences through programming, leadership opportunities, and advocacy. Each Area Council is advised by the Coordinator of Residence Life of Education/Graduate Assistant of that community. Each Area Council is allotted a certain dollar amount per resident to be used on social programming or advocacy efforts as determined by the residents of that assigned community.

arise.

We have taken steps to provide you with a safe and secure place to live on campus. We call upon all members of our community, including you, to help keep our home safe and secure. By following a few common-sense precautions to safety, the residence halls and apartments will remain, as they are, a safe place for everyone to live. If one resident chooses to prop a door or forgets to close it, they are leaving the rest of the hall exposed to dangers.

In instances where you feel comfortable addressing your peers (e.g., noise, room-mate conflict), we encourage you to have the conversation on your own first before involving staff as it can empower you and, in many cases, alleviate the issue. Once you report another person for an alleged crime or policy violation, Housing and Residence Life cannot guarantee your anonymity as all reported allegations will be confronted, and the resident has the right to be presented with the full disclosure of information held against them. If you have a concern regarding retaliation, please contact your community office to discuss this matter.

Decor: Be considerate of creating a safe space. This can pertain to your decorations, as some images, words, and content may offend others. Additionally, any possession and/or display of stolen property such as construction materials (cones, signs, etc.), street signs, and shopping carts are violations of the Community Living Guide.

Ceilings: You are not permitted to affix decorations or any other item to the ceiling.

Walls, Doors, and Adhesives: You are ultimately responsible for your room. In order to reduce charges, UCF Housing encourages residents to use "Painter's" tape to hang decorations.

Authorized Search: Your property is not subject to search without your consent unless a search is conducted by appropriate law enforcement officers with a legal search warrant or in accordance with existing Florida law. Housing and Residence Life staff will never conduct these searches.

Cleanliness: Housekeeping will augment your daily cleaning practices, but you are responsible for promoting a clean and well-maintained living environment. Residents should regularly vacuum, dust, wash clothing, clean dishes, remove garbage/recycling, and discarding old food items from residential spaces.

Liability: You are responsible for your property, as the University is not liable for damage to or loss of personal property, failure or interruption of utilities, or for injury or inconvenience to persons (except to the extent set forth in Florida Statutes, section 768.28.1979). Consider getting personal (renters) insurance coverage if you are not covered under a preexisting policy (homeowners' policy). Any instance of lost, missing, or stolen property should be reported to UCF Police and the community office.

Personal Property: In an emergency situation, university officials may move your belongings to protect the life and property of all residents. The UCF Housing and UCF Facilities staffs reserve the right to define an emergency situation. You are encouraged to maintain personal renter's insurance for the replacement of personal property.

Room Entry: Authorized University of Central Florida staff, state and local representatives, and Valencia representatives may enter your room for a variety of purposes, including but not limited to: posted "plain view" room inspections, fire code enforcement, maintenance purposes, occupancy verification, lockouts, and in emergency situations.

[Return to Table of Contents](#)

Apartment/Roommate Agreement: All students must complete a roommate agreement each time a new roommate is assigned to the space. Apartment/Roommate agreements will be completed with your RA and will be reviewed at the beginning of each semester or as often as needed.

Storage: Storage is not provided by UCF Housing.

Weather: In a weather emergency, you are responsible for your own safety. Signing up for UCF Alert or Valencia Alert will assist in notification and preparation. Prior to a hurricane's arrival, students who are able to safely travel home must do so. Ride Out Locations will be provided for students who are unable to get to another safe location. You must comply with staff instructions and requests during a weather emergency.

For more information regarding campus emergencies or severe weather events, please visit the UCF Office of Emergency Management website <https://emergency.ucf.edu/>.

- Keep wet towels in the bathroom for ventilation system to dry and reduce moisture into bedrooms.
- Keep room and common spaces clean.
- If mold is present, residents are responsible for submitting a work order as soon as possible at fo.ucf.edu/crform.

Residents should report any issue with the heating, ventilation, air conditioning systems, doors, or windows. Residents should also report musty smells in the residential spaces, even if mold or mildew is not evident.

Residents are responsible for damage to the residential space and their personal property resulting from the failure to comply with the terms of this paragraph.

Personal Property: Remove all personal belongings upon move out. Items left in residential facilities after closing will be subject to disposal/donation and additional move-out charges.

Recycling: Students are encouraged to separate recycling and place it in an appropriate recycling bin. See your RA or community office for further information on recycling.

Trash Removal: Students must remove all personal trash from their assigned units and common areas. All trash must be placed inside the trash chute room on their floor. Residents are prohibited from using the trash chutes, which are specifically reserved for housekeeping and facility staff.

Video Surveillance: Your community may be equipped with a number of closed-circuit TV cameras. These cameras have been installed for the purpose of recording events for later viewing. Do not rely upon these cameras for the safety of your person or property.

Internet: To connect to the internet, residents will need to know their NID and NID password. Rooms are equipped with Wi-Fi and/or Ethernet ports. UCF does not provide Ethernet cords. For information about connecting to the internet, please contact the Computer Help Desk at 407-823-5117, or visit resnet.ucf.edu.

Community Spaces: Some common spaces are equipped with digital TV and may be available for residents to use. UCF Housing staff will post signage on doors if the space is unavailable for student use. Community spaces may not be used for outside meetings (including student organizations) or personal functions unless approved by the Coordinator for Residence Life and Education or their designee.

Bulletin Boards: UCF Housing and Residence Life utilizes bulletin boards as a method of communication. Only staff may add or remove posted items on boards.

Exterminator Services Residential facilities are serviced for pests on a regular basis. For pest concerns between treatments, contact the community office, and do not attempt to exterminate the pests. To minimize pests, residents must maintain a clean living space.

Game Day UCF Housing staff reserve the right to enforce all Community Living Guide policies on UCF Football Game Days. For more information, visit the Game Day website at www.ucfgameday.com.

Grills Some UCF communities provide stationary grills for resident use. Students wishing to use a grill must first speak with a staff member in the community office. Residents must supply all grilling materials. Grills, propane, and lighter fluid cannot be stored in residential facilities. After you are finished using the grill, it must be cleaned thoroughly.

Kitchens: Community kitchens are available in select areas for use by current residents. Community kitchens are to be used for the preparation of food only. Additionally, residents who use community kitchens are required to clean up after themselves before leaving. To avoid any pest issues, please remove trash/recycling on a frequent basis and clean hard surfaces to remove any food debris.

Laundry Facilities: Each community is equipped with KnightCash operated laundry facilities. For KnightCash information and refunds, visit the UCF card services at ucfcard.ucf.edu. For coin refunds or to report a problem with laundry services, visit your community office.

Lock Outs: If you are locked out of your room, go to your community office on the 6th floor for assistance. Residents will need to present a photo ID to get into your room. After three lockouts in one semester, students will be charged \$10 for every subsequent lockout.

Mail: Mailboxes are located near each community. Mail is delivered Monday through Friday. Residents will be issued a P.O. box where mail and packages can be received. Residents who receive a package will receive an email to their university email account. You must present a photo ID when picking up packages. Stamps may be available for purchase in community mail centers

Maintenance Requests: To report any maintenance concerns, contact Facilities Operations at www.fo.ucf.edu or visit your community office.
