The reasons are as endless as the opportunities, but here are a few:

• The full UCF experience
• Academic success
• Safety and security
• Clean and well-maintained facilities
• Living Learning Communities
• Furnished rooms and apartments
• Lifelong friendships
• Utilities included
Many students agree — living on campus is the most rewarding experience of their college lives. And when you live in one of our 9 housing communities, you’ll be in the middle of the action with quick, easy access to classes, dining, recreation and events.

All UCF Housing communities come with the security and convenience of 24-hour staff support, furnished rooms, all utilities included, high-speed Wi-Fi, individual leases and unbeatable locations.

Which UCF community is right for you?

housing.ucf.edu/choices/getstarted
All UCF Housing communities have Resident Assistants (RAs) on site. Your RA is here to help you make a smooth transition to UCF, create connections with other students in your community, and make the most of your experience as a Knight. From campus resources to exciting events, RAs are specially trained to guide you through every facet of college life.

**GROW AND EXPLORE**
Our Housing and Residence Life staff creates a year-round residential curriculum that is designed to help you become a productive global citizen. It focuses on key concepts: community engagement, self-awareness, and intentional conversations. You’ll learn something new by attending community meetings, talking with your RA and taking part in campus events.

FAVORITE THING ABOUT LIVING ON CAMPUS:
I love being so close to everything, it really immerses you into the college experience!

FAVORITE RA MEMORY:
I have so many great memories I can’t pick one, but my favorite thing to do as an RA is getting to personally know all of my residents. It’s so rewarding to be a resource for them and help them through their time at UCF.

ADVICE TO FIRST-YEAR STUDENTS:
Put yourself out there, go to as many events as possible and be kind to everyone. You never know who you could end up making memories with.
A Living Learning Community is a group of students who live together on a floor or within a building based on a common major, interest or program affiliation. This allows you to live and learn with a smaller group of students who have similar goals and experiences. Students can apply to a Living Learning Community during the application process. To learn about our Living Learning Communities, go to housing.ucf.edu/choices/llic.
Take a hike, plant a garden, and explore nature in the 82-acre Arboretum.

Feel the burn with a wide array of exercise equipment in the Recreation and Wellness Center.

Meet up with friends, grab a snack, and take a break between classes.

Cool off in the 186,000-gallon leisure pool, or take a few laps in the lap pool.

TOWERS ANNUAL AGREEMENT
The Towers at Knights Plaza agreement is year-round and includes fall, spring and the following summer. Private bedrooms with full-size beds and a great location next to our on-campus shopping center make the Towers a popular option.

NORTHVIEW ANNUAL AGREEMENT
The NorthView agreement is year-round and includes fall, spring and the following summer. Residents at NorthView enjoy private bedrooms and bathrooms in every apartment, along with amenities like a resort-style pool, game room and fitness center.

FREQUENTLY ASKED QUESTIONS

Q: ARE FIRST-YEAR STUDENTS GUARANTEED HOUSING AT UCF?
A: No. There are more students who request housing than can be accommodated, so it is very important to apply for housing as soon as you are offered admission. First-year housing is confirmed on a first-come, first-served basis.

Q: WHAT IS THE DIFFERENCE BETWEEN AN ACADEMIC-YEAR (FALL AND SPRING) AGREEMENT AND A YEAR-ROUND (FALL, SPRING, AND SUMMER) AGREEMENT?
A: Students who choose an academic-year agreement will live in their assigned room for the Fall and Spring semesters, leaving during the winter break. Residents of the Rosen College Apartments will also have this type of agreement (with the option to add summer), but are not required to leave during the winter break. Students who choose The Towers or NorthView will sign a year-round agreement for Fall, Spring, and Summer — never having to leave during their agreement.

Q: WHERE CAN I GET MORE INFORMATION ON HOUSING RATES AND OPTIONS?
A: Up-to-date housing information is available at housing.ucf.edu. Rates are subject to change.

Q: CAN I BRING MY CAR TO CAMPUS?
A: It’s not necessary to have a car at UCF, but all students are welcome to bring one. Parking is available for students living on campus. A shuttle system is available and serves the on- and off-campus apartment complexes. Parking information is available at parking.ucf.edu.

Q: ARE HOUSING TOURS AVAILABLE?
A: Yes. Daily housing tours are provided Monday through Friday, except on holidays and special occasions. Details on in-person tours and video tours can be found at housing.ucf.edu/tours. You may also submit a request online for tours in Spanish.

Q: HOW DOES DINING ON CAMPUS WORK?
A: Go to ucf.campusdish.com to choose from several optional dining memberships, each with access to UCF’s two dining halls — '63 South located by the Apollo and Libra communities and Knightro’s by the Towers Community. Each residence hall has access to a kitchen where students can make their own meals. Please visit our Community Living Guide for a list of permitted appliances.
