## **COVID-19 ADDENDUM TO 2023-2024 GRADUATE COORDINATOR AGREEMENT**

*As you know, these are challenging and unprecedented times. The novel coronavirus, COVID-19, was declared a worldwide pandemic by the World Health Organization, and the State of Florida declared a public health emergency due to COVID-19. COVID-19 is a highly contagious and potentially severe illness. According to the US Centers for Disease Control (CDC), COVID-19 is spread mainly through close contact from person-to-person.*

*The University of Central Florida (UCF), including the UCF Department of Housing and Residence Life (DHRL), holds as paramount the health and welfare of our community. Yet, we all must acknowledge that UCF cannot guarantee a COVID-19 free environment, and it would be false to suggest otherwise. Moreover, taking steps to reduce the risk of COVID-19 and its spread is the shared responsibility of every Knight in our UCF community and every resident in our Residential Communities. As we welcome residential students back to campus for the 2022-2023 year, we know changes in our Residential Communities will be required to follow COVID-19 health and safety standards and guidance for community living. Acknowledging that these precautions will change the traditional UCF residential life experience as well as the traditional Graduate Coordinator (GC) work experience, we are issuing this Addendum to the UCF 2023-2024 Graduate Coordinator Agreement to provide staff with greater detail about these shared obligations, what they may expect, and how changes may impact their staff and residential experience in the coming year. **This is an addendum to your GC Agreement/Position Description. Within the context of this document, the term "Student" refers to you, as a Graduate Coordinator. Action on your part is required.***

### **Additional Terms, Conditions and Responsibilities for 2023-2024 GC Agreement and Housing Agreement:**

#### **1. Community Health and Precautions.**

- A. The Student acknowledges the inherent and elevated risk associated with living and working in a community environment such as the UCF Residential Communities, and the Student's shared obligation to prioritize health precautions for the benefit of the entire community while maintaining the expectations of the GC position.
- B. The Student acknowledges they have considered their own personal health status and increased risk factors inherent with community living, including the risk of COVID-19, when deciding to live and work in a

UCF Residential Community. UCF maintain workers compensation coverage at statutory limits for the UCF workforce, which is the exclusive remedy for employee work-related illness or injury.

- C. The Student agrees to adhere to UCF precautions intended to minimize risk of exposure to COVID-19 consistent with public health guidance, including, but not limited to, practicing social distancing, and wearing appropriate face coverings or masks per UCF policy.
- D. The Student acknowledges their responsibility to keep personal living space in a sanitary condition and to adhere to sanitation standards in shared spaces. UCF DHRL staff retain the right to conduct inspections of the living space.
- E. The Student acknowledges they may be required to submit to symptom checking or COVID-19 testing to access or work in the residential community.
- F. The Student agrees to disclose to Student Health Services immediately upon notification of positive COVID-19 test status or contact from Florida Department of Health about exposure and instruction to isolate.
- G. The Student agrees to comply with University and/or public health direction requiring or advising isolation (such as if Student tests or is presumptive positive for COVID-19 or has been in close contact with someone who has tested or is presumptive positive for COVID-19). Isolation may require removal from assigned room, building, or campus. Isolation does not constitute cancellation of any Housing Agreement. UCF reserves the right to make changes in room assignments as necessary due to the pandemic. Student will not be paid for time not worked if isolated or quarantined due to COVID-19.

Students are required to comply with all laws, orders, ordinances, policies, regulations, and guidance adopted by UCF or DHRL as it relates to COVID-19. This guidance may evolve as circumstances warrant. DHRL may require student to leave housing in the event the Student's continued presence poses a health or safety risk to the residential community.

## 2. General Terms and Provisions

- A. The Student acknowledges the University may restrict the full use of spaces and amenities within the residential community including, but not limited to:
  - a. Access to residential spaces is restricted to residential students, UCF staff, and approved vendors.
  - b. Access to and use of community amenities/space may be restricted or limited in capacity (community space, offices, lounges, kitchen, laundry rooms, elevators, etc.)
- B. In the event of a conflict between the above Addendum and the original Agreement, this Addendum will apply.

*UCF and DHRL are committed to supporting our students in their return to campus during this unprecedented time and recognizes the value of the on-campus residential and GC experience. The above information has been provided to allow students to make an informed decision about living and working in UCF Residential Communities for the 2023-2024 school year. While the above is intended to provide some detail, there may be additional modifications needed as the year progresses and we track the impact of COVID-19 on our residential community and campus. As always, we will update you with timely information about specific health and safety guidance important for our residential community.*
