LIVE THE KNIGHT WAY

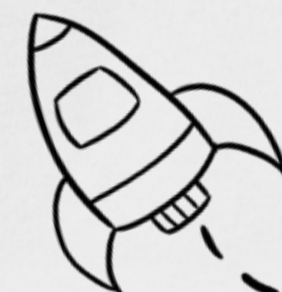

Many students agree — living on campus is the most rewarding experience of their college lives. And when you live in one of our 9 housing communities, you'll be in the middle of the action with quick, easy access to classes, dining, recreation and events.

All UCF Housing communities come with the security and convenience of 24-hour staff support, furnished rooms, all utilities included, high-speed Wi-Fi, individual agreements and unbeatable locations.

FALL AND SPRING SEMESTERS

The following communities are available to students who apply and are confirmed for the Academic Application. These agreements are for Fall through Spring, and are mostly reserved for first time in college students. Students in these communities will depart for winter break between semesters. Shared suites can be found in the Nike, Hercules, Libra and Apollo communities. Lake Claire and Neptune are also reserved for first time in college students, but offer private bedrooms and two shared bathrooms. All communities have a community center, laundry rooms, common areas like lounges or study rooms, and access to a community kitchen.

8

SUBMIT APPLICATION

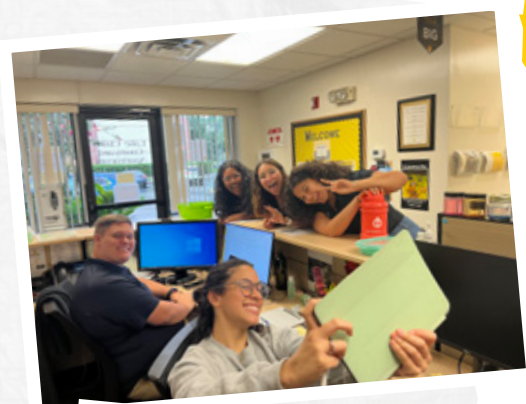

Application will not be considered for confirmation unless **ALL** steps are complete.

Find the
application on the UCF
Housing Portal through
myUCF!

Note: First-year students are given priority for housing on the Orlando main campus. Students of all classifications may apply for student housing located at the Rosen College Apartments and NorthView. Married and family student housing is not available at UCF.

KEEP IN MIND

- No student is guaranteed housing on any campus, so each student is encouraged to apply as soon as possible.
- Students must be admitted to the University, but do not need to accept their admission to apply for housing.
- If applying to live on campus for a Summer semester, an additional application must be completed to live on campus starting in the Fall. Summer housing does **not guarantee** housing in the Fall.
- Be sure that you research and choose what application type is best for you - requesting and completing a new application type will impact the timeline of confirmation and assignment of a room selection appointment.
- Once it opens in February, students can utilize the Roommate Matching tool on the **housing portal** to search for other students, message to chat, and create roommate groups.
 - › Students may only live with other students who have been confirmed for housing in the same agreement type. **Students may not switch application types to live with certain roommates without submitting a new application.**
 - › Students will receive an email with an appointment date and time to make their room selection.
- Students in an Academic application type will be able to choose from rooms that are currently available during their appointment time in the Hercules, Nike, Neptune, Libra, Apollo, and Lake Claire communities.
- Students in the Towers, Northview, or Rosen application types will be able to choose from rooms that are currently available during their appointment times within each community.
 - › All rooms are selected on a first-come-first served basis. **Students are not guaranteed their preferred community or roommates.**

GET INVOLVED STUDENT JOBS

Mail Services Office Assistant is responsible for assisting the staff in the retrieval, sorting, and distribution of the U.S. and campus mail for UCF Residents.

Conference Assistant is responsible for assisting with the conference program group logistics, promoting a safe and comfortable building environment, and for serving as a departmental and university ambassador. Benefits include being able to live on campus in the UCF residence halls and apartments during the summer.

Office Assistant is responsible for assisting with the day-to-day operations of the community office like answering student questions, scheduling appointments, speaking with students and parents on the phone, handling lockouts, submitting work orders, and any other duties assigned.

Housing Ambassador is responsible for conducting daily tours of housing facilities, staffing three of the departments main front desk areas, and assisting with special events for marketing.

Resident Assistant is responsible for facilitating a positive community among residents, promoting a safe and comfortable living environment, and serving as a departmental and university representative and role model, all while living in a department assigned unit within a UCF residential community.

RHA Events!

STUDENT ORGANIZATIONS

The **Residence Hall Association (RHA)** is an on-campus organization which strives to provide residents with the UCF experience through programming and leadership opportunities. This organization sponsors events on campus, provides support for bettering the residence hall living experience, and holds meetings with Area Councils, which lead over each community.

An **Area Council** resides in each community and creates fun events for residents to attend and get involved in. Members of area council learn how to be leaders in college and work with RHA to support their fellow residents.

National Residence Hall Honorary (NRHH) is a national organization with chapters at college campuses across the United States. This organization is composed of on-campus individuals who value service, recognition, leadership, and academics. It is unique, in that it is the only honorary organization for students living in the residence halls and one of its main charges is to recognize those individuals who go above and beyond the call of duty to improve residence life programs through programming, community service, advocacy, and leadership development.

STUDENT NEIGHBORHOOD RELATIONS

The Office of Student Neighborhood Relations works to support students living off-campus. Whether you need resources to start your research, need to find a roommate, or just need guidance, SNR is here to help you get the most out of your UCF experience – and make Orlando your home away from home!

Students needing to find off-campus housing should start their search at **ucf.offcampuspartners.com**. Most listings on this website are student-focused and aim to lease to UCF students. On this website, you will be able to find your perfect fit by filtering for price, amenities, and more. There is also a roommate matching portal available for other UCF students looking to live off-campus!

We recommend searching for off-campus housing as soon and early as possible, as properties closest to UCF tend to fill up quickly. We recommend signing a lease 4 months before your desired move-in date.

Nervous about signing a lease? We've got you covered! The Office of Student Legal Services offers free lease reviews for all UCF students! Visit their website to make an appointment! **sls.sdes.ucf.edu/**

Dont have a car? No problem! Visit the UCF Parking Services website to see the list of off-campus apartments that the shuttles make stops at: **parking.ucf.edu/transportation/off-campus/**
